

## Willow Class- Term 6

Dear Parents and Carers,

I cannot believe we are in the final term of the year- what a brilliant term we have planned though. Below is all the information needed for this term. Please do take notes of the upcoming dates!

### Homework and Information

**Weekly maths-** This term we are having a final push with our 'Timestables'. Each week the children will have a 'Timestables challenge' to complete (6 minutes) and mastery sheet on their timestables of the week.

**Spellings:** Our weekly spelling test will continue to take place every Friday morning in class. The spellings will be sent on Fridays and are due back Wednesdays. They can also be found on our class page. It is important that these are being practised at home. We will be many revising spelling patterns this term so some of the their spellings may look familiar.

**Home learning projects:** Will are continuing with our theme 'Anglo Saxon, The Vikings and 1066'. The children are absolutely loving this theme and are thriving with their learning. **Topic home is due Monday 1<sup>st</sup> July.** Please can I ask that the children do not bring their homework in before this date as we have limited space to store it- thank you! We will be having a homework celebration in class.

**Reading:** Do not forget that reading is very important and is part of your homework requirement too. I will continue to send out *Reading Records* sheets to support reading at home-This allows me to monitor this within school also.

PE: PE sessions continue to take place every Monday and Tuesday. Children are required to come into school in their full PE kits (No swimming)

Forest School Day- We have planned a Forest School Day on Monday 22<sup>nd</sup> July. Children are required to come into school wearing their Forest school kit. I will send a letter/reminder out nearer the time with more information on.

#### Upcoming events
