

Weekly Update  
Friday 2<sup>nd</sup> May 2024

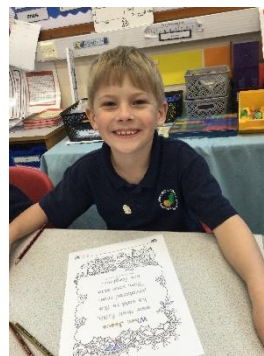

*Willow Class*

I cannot believe it is May already! Times is zooming past. Another great week in Willow Class. We have been super busy and focused- what more can I ask? As promised, see below a picture collage of our week due to the lack of photos in last week's weekly update! SMILES ALL ROUND

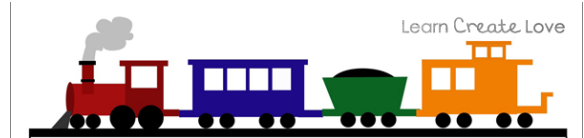

Stand  
**TALL**  
and be  
**PROUD.**  
Be  
**YOURSELF**  
you are  
**AMAZING.**

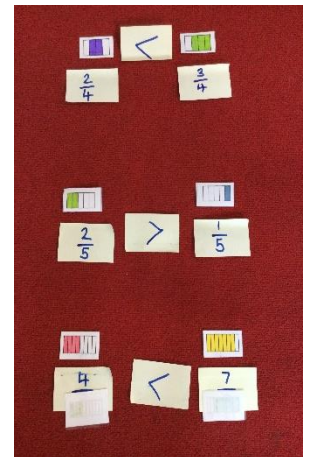

We are thoroughly enjoying our PE this term; I have heard that many children have been communicating this back home which is just fabulous! CRICKET is our sport in Willow Class. Thankfully, we have had sunshine this week, allowing us to have extra sessions. We even managed to get two games going!

**Maths** An amazing week in Willow for maths. We have moved on to our next station...

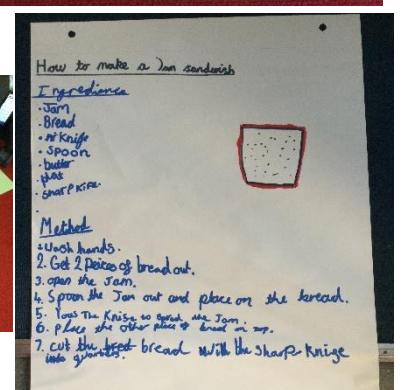

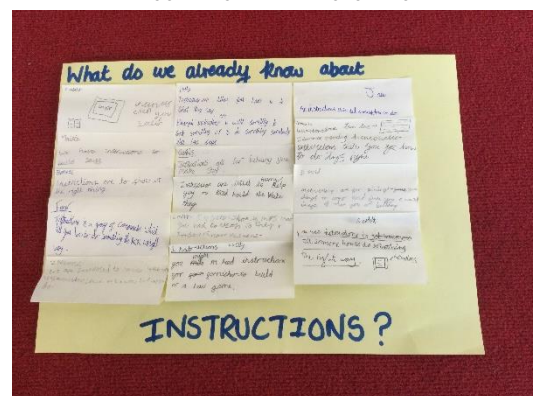

Ordering and comparing unit and non-unit fractions, counting beyond 1 and my year 4s have also been learning about mixed numbers! We have enjoyed some split learning this week, allowing me to spend personal time with each year group!

**Literacy**

We are very excited to be starting a new piece of writing this week. Our new focus is 'instruction writing'. We started our week off by identifying key features needed when writing instructions then moved on to verbally saying clear instructions to help me make a sandwich. They soon realised that their instructions needed be clear and detailed when I started to get the jam out with my hands rather than using the spoon, like they wanted.

Lesson learnt / The children soon realised that they need to use accurate language when providing instructions!

**Upcoming events/changes**

PE Days- Monday and Tuesdays.  
BANK HOLIDAY- Monday 7<sup>th</sup> May

Have a lovely LONG weekend.  
With best wishes,  
Miss Grantham and the Willow Class team x
